CONNOR'S
2026 **WAYS** MILE
HINCKLEY NY

Race Day ~ September 20, 2026

Virtual Option ~ September 20-26, 2026

Dear Friends & Connor's Way Supporters:

With the generous support of our friends and community, Connor's Way 2025 was a huge success! Our annual event raises funds for scholarships for area youth and provides assistance to needy families, all in memory of Connor Arthur Lynskey, who was tragically killed by a drunk driver in 2018 at the age of 18.

This past year, 21 scholarships were awarded to students at 9 different schools in Oneida and Herkimer counties. In the past eight years, over \$80,000 in awards have been distributed to area high school students who excelled in academics and athletics/character, as well as a tradesman scholarship awarded in memory of Joey R. Ventura. The high school scholarship program is administered by the Community Foundation of Herkimer & Oneida Counties. More information on that program is available at www.foundationhoc.org/connor. Memorial scholarships have also been awarded at Upstate Medical University to pre-med students enrolled in the Rural Medicine MD Program, the same program Connor had been accepted into.

We send our sincere thanks to our 2025 sponsors and welcome their continued support of Connor's Way in 2026! For those new to the opportunity of sponsoring this year, we would love to provide any and all information to help in making that decision. As always, we appreciate you spreading the word to others who may share that interest.

We thank you from the bottom of our hearts for helping us keep Connor's memory alive and helping the youth of our community ~ your support means so much to the Connor's Way team and our family!

With sincere appreciation ~The Lynskey Family & The Connor's Way Team

Sponsorship Information Race Day ~ September 20, 2026 Virtual Option ~ September 20-26, 2026

Who was Connor?

Connor Arthur Lynskey was an 18-year-old son, brother, grandson and friend who resided in Hinckley, New York with his family, attending pre-med studies at Siena College, when he was tragically killed by a drunk driver on August 11, 2018. Connor aspired to be a rural medical doctor, had been accepted into the Upstate Rural Medicine MD Program, and his dream was to practice medicine in an under-served area in order to help residents receive adequate health care.

Why is the event held?

All proceeds go to the scholarship and memorial fund created in memory of Connor. Our mission is to continue to provide students and medical students with a scholarship program, with your financial support and through our memorial run/walk in Connor's name. Due to the generosity of our friends and our community, along with the success of our previous annual Run/Walks, this past year, Connor's Way was able to continue awarding multiple scholarships at the Upstate Rural Medicine Program, seven scholarships for graduating seniors at Holland Patent Central School, and fourteen scholarships for graduating seniors in high schools in Oneida and Herkimer counties.
