Rehabilitation

McLeod Rehabilitation Specialists work with patients to restore independence and improve overall wellness. For a one-time problem or a long-term condition, we customize a treatment plan uniquely designed to each person's needs. From children struggling to meet developmental milestones, and genetic conditions to mature adults with neurological conditions and orthopedic issues, McLeod Health offers a variety of programs.

These programs include:

- Aquatic Therapy
- Dry Needling
- Hand Therapy
- Industrial Rehabilitation
- Lymphedema
- Parkinson's / Movement
- Pediatrics
- Pelvic Rehabilitation
- Postpartum Care
- Speech Therapy
- Stroke Rehabilitation
- Vestibular Rehabilitation
- Wheelchair/Mobility Needs Assessments
