

HOT HUNDO 2019 EVENT DETAILS

ALL RIDES START AT 7:30AM

LOCATION:

Malpass Corner Elementary School
4992 Malpass Corner Rd, Burgaw, NC 28425

PARKING/ARRIVAL

Lots open at Malpass Corner Elementary at 6:00AM. Vehicle entry is available via Malpass Corner Road in the secondary driveway in front of the school (to the right if you're facing the school). Parking is available at the back of the school in the bus lot and the staff lot. Overflow parking is available as directed by volunteers. All vehicles will exit the back of the school onto Hwy 421 at the end of the event.

PACKET PICK-UP & CHECK-IN

Packet Pick-Up begins at **6:00AM on Sunday, September 1**. Packet Pick-Up is located at the front of the school. Riders will sign a waiver, indicate how many loops you plan to complete, receive your numbered bib and your tracking chip and velcro strap.

BIB INFO: Your bib number matches your tracking chip number and both allow us to track you for safety purposes. Please wear it throughout the day. It also contains your BBQ lunch ticket and Snow Cone ticket to be used at any time during the ride.

TRACKING CHIP: Your tracking chip number matches your bib number. Participants must wear this chip on the left ankle. The Hot Hundo is a supported ride and NOT a race! We will not be posting or publishing results for this event. The tracking chip is a safety measure to let us know that you are safely off the course after each of your laps. You will return this chip after you are finished the event. **Lost or unreturned chips will result in a \$30 replacement fee.**

RACE DAY REGISTRATION at packet pick-up is available on-site for \$60 with CASH OR CHECK ONLY! You will be asked to sign an event waiver to receive a bib/lunch and cue sheets. **You may also register online for \$50 via the website by 6:30AM on Sunday.**

PACKET PICK-UP AND REGISTRATION ENDS AT 7:00AM ON SUNDAY.

INFO TABLE

There will be an info table available under the tent if you have questions about the course, logistics or timing. Plus, there will be volunteers from ECHO Haiti to answer questions about the orphanage, our mission and our needs.

TRACKING

Setup Events is providing tracking chips for all participants. Bibs and chips **must be worn** by all riders during the event for safety and tracking purposes. Participants will leave through the BIKE START ARCH and return from each loop through the BIKE FINISH ARCH. Timing mats will record your time as you enter and exit the entrance at the school. Crossing through the arch will indicate that you have finished a lap and no longer on the course. If you head out on a loop, make sure you cross the tracking mat when you return. [Or we'll send a search party out for you!] After the event you will return your chip to a volunteer. Lost or unreturned chips result in a \$30 replacement fee.

The Hot Hundo is a supported ride and NOT a race. There will be no posted/published results for this event. If you would like your total time or ride splits for a lap, let us know and we'll be happy to provide it to you individually. All loops are self-paced.

COURSE INFORMATION

There are six loops that create the HOT HUNDO. These loops are flat and fast on open country roads. Be mindful of traffic, use your signals and communicate your actions to other riders.

Cue sheets will be available on-site, however, in an effort to GO GREEN, we encourage you to upload the digital files to your computers or print your own. Loops are marked but it is up to each rider to know the course.

All riders will start at 7:30AM. Riders will leave from the front of the school and onto the first loop or bonus loop. **For your safety and our tracking purposes: PLEASE RIDE THE LOOPS IN THE ORDER LISTED. If you miss a cutoff time, you may skip to the next loop.**

THIS EVENT IS BYOB: [BRING YOUR OWN BOTTLE] In order to **GO GREEN** and reduce waste, we'll provide the refills to your personal nutrition bottles. Bottled water will not be available to cyclists or spectators.

Stop in between loops to refill and when you've finished the ride, turned in your chip and unloaded your bike, join your fellow cyclists for an old fashioned Labor Day BBQ! We'll serve BBQ (pork and chicken) with all the fixin's, watermelon, homemade desserts and snow cones. Plus, we'll have sprinklers, shade tents and music!

ON-SITE INFO: Malpass Corner Elementary School is our central hub for the HOT HUNDO. Restrooms are available inside. The multi-purpose room and cafeteria are open to registered cyclists in case of rain. And as always, please remember to leave this school looking better than when you arrived.
