

# We're running for the kids!

We are a team of 6 people who are running in the annual "Ville to Ville Relay Race", to raise funds and awareness for the Prisma Health Children's Hospital BI-LO® Charities Children's Cancer Center.

We are running in honor of our patients and their families whom we have the privilege of serving. We would appreciate your support. Your generous contribution will be used to provide vital services to our patients and their families.

The BI-LO® Charities Children's Cancer Center is the *only* Clinic in the area that provides specialized medical care to children, adolescents and young adults with childhood cancers and blood disorders.

- Each year, we provide week long camps (Camp Courage and Camp Crescent) for our patients at Camp Pleasantridge at no cost. This time away from home allows a "kid to be a kid" in a relaxing, outdoor enriching setting while being supervised by our clinical staff.

Your support of our "Ville to Ville" team directly funds the costs of sending our patients to our camps as well as provide direct patient financial assistance.

**It is easy to support us and  
make a donation.**

**VILLE TO VILLE®**

**Sept. 25, 2021**

*One of the premier one-day  
running relays in the country. In  
this classic race, teams of six  
travel on rolling hills from  
Highland Brewing Company in  
Asheville, NC through quaint  
southern towns and teams finish  
in Greenville, SC with a  
celebration.*
