

ATHLETE GUIDE 2025

NAPTOWN RUN
HALF MARATHON/10K/5K
DEC 20, 2025

WELCOME

Welcome to the 2025 Naptown Run!! We hope that this guide will help you with any questions that you may have. Our team is happy to have you join our 'family' even if just for the day and look forward to seeing you at other events in the future!

Whether you run the 5k, 10k, or the Half Marathon, you will all start and finish in the shadow of the USNA Stadium, an amazing backdrop for a run.

While the 5k and 10k stay mainly in the City of Annapolis, the Half Marathoners will be able to find peace and serenity on the B and A Trail, before returning back to your finish line party!

BIB NUMBER

Q. Where does my bib number go?

A. Your bib has a MyLaps BibTag timing chip on the backside. Your bib also has YOUR unique bib number to it. In order to accurately track your running AND to ensure that you are able to get all of those great (and FREE!!!) race photos, we ask that you wear your bib number visibly on your chest/waist area. Please do not plan to wear any garments over your bib, as this will make identification for photos more difficult. Please wear the bib horizontally, so that our photo recognition software can read it, and so that the timing chip can accurately be registered on the mats.

Tips for guaranteed timing

- Wear the bib number visibly on the chest
- Do not fold or crumple your bib number or tag
- Use a pin for each corner of the bib number, do not pierce the tag
- Do not remove the foam spacer. The foam increases the detection rate of your tag

The tags do not have to be collected after the race, you can keep the bib with the tag as a souvenir.

Thank you to our sponsors, Sheehy Lexus of Annapolis and the Friends of Anne Arundel County Trails for your support! A portion of our proceeds will go to support their efforts to promote, protect and enhance the multimodal trails of Anne Arundel County.
