**RUN WITH YOUR DOC 2021 - 10K, 5K, and 1 MILE RUN or WALK
1st -15th of MAY 2021**

Please join Amador Health Center for our Sixth Annual Run With

The pandemic may have shut down our face-to-face race, but it doesn't mean we can't get outside and run or walk and show support for Amador Health Center.

Our virtual event will take place first two weeks of May (1st -15th) keeping track of your steps or distance and contribute to your own health, and the wellness of our health clinic. Prizes will be given out for largest team (clinic or agency), largest youth team and most creative and engaging in social media. You can run any place convenient for you and share your pictures and times with us through our social media. WE ask that you make this fun and safe, maintaining social distancing and masks when appropriate.

Funding from this year's run will support our initiatives to reach out to more people and keep providing quality health care to our Las Cruces community, with an emphasis on vulnerable populations. We have been very engaged in this throughout the pandemic as we brought Covid-19 testing to area homeless shelters and farmworker housing. We provided Covid-safe materials, including hygiene products, bilingual information and face masks to hundreds of farmworkers and others in our community. Now we are transitioning to provide Covid vaccines to those most vulnerable in our community through on-site vaccination and site-specific locations.

Sponsorships are key to making our event a winner. We have reduced our sponsorship fees for this event. Your sponsorship is greatly appreciated. All donations received go toward our important mission.

Providing access to vital integrated health and wellness services to our community and promote dignity one life at a time.

We have teamed up again with Race Adventures in El Paso which has hosted dozens of virtual runs so far during this pandemic. They will reach our and promote our event and its sponsors to more than 6,000 runners. We will also be promoting this event to the greater Southern New Mexico community, including Las Cruces and El Paso. A sponsorship ensures your name will reach into the far corners of this region.

We value your support and welcome your sponsorship! We also hope you will join us on this event and would love to see you on our social media pages posting about the run and sharing with your friends and family! If you have any questions, please reach out to Resources Development Coordinator Eva Videla at (575) 527- 5482 Ext. 136, or eva.videla@amadorhealthcenter.org

Sincerely,

Pamela Angell, CEO and the Board of Directors and Staff at Amador Health Center
