## LET US WORK TOGETHER

We are reaching out to invite you to be a part of something truly impactful—the November 14, 2026 “5K Run/Walk for Recovery.” This annual race is not just a race but a lifeline to those who are addicted and homeless in Carteret County.

Addiction and Homelessness are Impacting Carteret County:

- Over 4,500 overdoses since 2020, with over 150 deaths.
- 150-200 individuals experiencing homelessness, many of them veterans.
- 1 in 6 residents face food insecurity.
- Carteret County ranks among lower-income counties in North Carolina.

Hosted by Loaves and Fishes and Veterans Services of the Carolinas, this year’s goal is \$20,000. With your support, we can exceed this goal.

As a sponsor, your commitment will not only make a tangible difference in the lives of many but will also receive prominent recognition before, during, and after the event. We have outlined specific benefits tailored to maximize your brand visibility.

Your partnership is crucial to our success. Can we count on your support in making a profound impact on our community?

Thank you for considering this opportunity to join us in creating a brighter future for those navigating addiction and homelessness in Carteret County.

Warm regards,
