

# A Most Excellent Race 2021

Since its inception in 1990, over 18,000 individuals have participated in **A Most Excellent Race**, with many attending the Race year after year. Most importantly, the Race has generated over \$2,000,000 in funds, providing critical support for the Achievement Centers for Children's Camp Cheerful and its recreation programs.

We are excited to be holding this year's **A Most Excellent Race** as a **HYBRID event with both in-person and virtual participant options and a new Race location and route!**

**Race Date: Sunday June 27, 2021**  
**Location: Camp Cheerful**  
**15000 Cheerful Lane off Rt. 82 in Strongsville**

Runners and walkers...we are excited to have you back in person this year! You will enjoy a safe, fun and well executed event with a race route that gives you a chance to directly experience our Camp Cheerful in Strongsville.

Our virtual Race allows registered runners and walkers lots of flexibility...participants will complete their designated distance on their own desired course and on their own time starting now and up to June 27, 2021. The virtual format will have some fun features and again allows more supporters to join us than ever before!

As always, the funds raised from **A Most Excellent Race** provides support for our varied recreational programs for our clients with disabilities, regardless of their family's ability to pay. All our programs might look a bit different right now but, more than ever, we need and appreciate your involvement – in person or virtually!

# Achievement Centers for Children

*Our mission is to empower children and adults with disabilities and their families to achieve their greatest potential.*

Founded in 1940, the Achievement Centers for Children serves children and adults with a broad range of disabilities and special needs including autism, cerebral palsy, Down syndrome, and other physical, developmental, neurological, and emotional challenges. Our unique, comprehensive service model blends together education and autism services, family support, occupational, speech and physical therapies, and recreation, camp, and sports programs to meet the needs of the entire family and provide the best outcomes and achievements.

In FY 2019-2020, the Achievement Centers for Children provided services to over 3,300 individuals at our three locations (Highland Hills, Westlake, and Camp Cheerful in Strongsville), and through telehealth and virtual services. Many of our programs are provided regardless of a family's ability to pay. Last year, this equated to over \$1.3 million in subsidized services, with 83% of every contributed dollar going directly to providing our services to those most in need.

## Camp Cheerful

*Camp Cheerful, founded in 1947, is located on 52 beautifully wooded acres in the Mill Stream Run Reservation of the Cleveland Metroparks in Strongsville, Ohio.*

Campers participate in traditional summer camp activities, including hiking, swimming, fishing, canoeing, arts & crafts, nature study, games, campfire activities, and music and sports, in a safe and barrier-free environment. Our River Rock Adult Day program is also housed at Camp Cheerful.

A year-round facility, the Achievement Centers Camp Cheerful offers several fun and rewarding programs this year including day camp, weekend respite camp, Therapeutic Horsemanship and Adapted Sports.
