

# Pi Day 2 Mile / 5k / 10k - 2023

www.fresnopiday.com

3.12.2023 @ 10:00am - 2:00pm

Woodward Park, Fresno, CA

Dear Community Partner,

Activitynut Foundation hosts several local events in the Central Valley at Woodward Park, The Clovis Trail, Millerton Lake, Huntington Lake, Lake Evans, Lake Woollomes, Lake Ming, and Shaver Lake. Our mission is developing an active and healthy community by connecting people with events, coaching, training, and local stores.

The goal of our events is to get people outside, moving and having fun. **Running, Math and Pie enthusiasts come together at Fresno's Annual Pi Day Run** featuring run/walk distances of 2Mi, Pi (3.14) Miles, and 2Pi (6.28) Miles. We invite Science, Technology, Engineering, and Math clubs to have a booth and present a project to be voted on by the participants. Prizes will be awarded to 1st, 2nd, and 3rd place booths as voted for by our participants. All donations and a portion of proceeds will be donated to a scholarship fund at CSU Fresno for STEM Majors.
