HELPING BALTIMORE JCN FAMILIES – TOGETHER

Jewish Caring Network (JCN) cordially invites you to participate as a Corporate Sponsor of the JCN5K. The JCN5K is Jewish Caring Network's annual fundraiser. Your contributions directly benefit Baltimore JCN families by providing vital services when a loved one is facing life-threatening, lifelong, and serious illnesses. Jewish Caring Network ensures that Baltimore families going through overwhelming medical diagnoses do not have to do it alone.

JCN's mission is to bring joy and support to our families, and the knowledge that we are standing beside them throughout their difficult medical journey while preserving their privacy and their dignity. Without corporate sponsors and donors like you, we'd never be able to do what we do.

When we care, we can make a difference - together.

ABOUT

JEWISH CARING NETWORK

Our mission is to bring joy and support to our families, and the knowledge that we are standing beside them throughout the duration of their illnesses, treatment and recovery.

When serious illness strikes, the entire family is affected. The Jewish Caring Network's programs, activities, and services are designed to help each family member. All of the vital services we provide are free of charge. Each family's situation is individually assessed, enabling us to cater to their specific needs. When families feel overwhelmed and alone, the Jewish Caring Network is an organization comprised of caring, compassionate individuals who are sensitive to the unique needs of each individual they help.
