12th Annual Lucky Leprechaun 7k

March 9, 2024

Route Notification

Street Closures

The 12th Annual Lucky Leprechaun 7K, benefiting the MACC Fund, is back in Wauwatosa at beautiful Hart Park on Saturday, March 19, 2024. The scenic route and post-race party are sure to make this one of the most fun St. Patrick's events in the area. But hosting a 7K event the morning of Saturday, March 9th will also come with some inconveniences for many of you conducting your normal business on a Saturday.

- Number of Participants: Nearly 1500 participants, 120 volunteers
- Race Time: Road restrictions will begin as early as 9:30 a.m. on race morning. The Lucky Leprechaun 7K will begin at 10:00 am. The event will be completed by 11:30 am. See information below or accompanying map for specific information regarding your area of the course.

About the MACC Fund

Founded in 1976, Midwest Athletes Against Childhood Cancer, Inc. (the MACC Fund) is dedicated to funding childhood cancer and related blood disorder research. Our goal, with your help, is to find a cure for childhood cancer and related blood disorders by providing critical funding for research. The MACC Fund gives the Gift of Hope through Research. Every penny counts. Every donation matters. Why? Because every child battling cancer or a blood disorder is someone's child, someone's sibling, someone's friend. Every donation gives hope to a child fighting cancer or a blood disorder. Our goal is to fulfill the mission and to cure the MACC Fund out of existence. For more information, please visit MACCFund.org.
