Welcome from the Brea 8K

The Brea 8K Classic has been a flagship event in Brea for the past three decades and in that time it has become a major contributor to the award-winning programs at Brea Olinda High School.

The Brea 8K has raised hundreds of thousands of dollars for the benefit of many Brea Olinda High School programs over the years including arts, athletics and academics. The Brea 8K Committee cannot thank enough the hundreds of people it takes to put on the race and the community sponsors that help ensure the race gets better and better every year.

We appreciate your participation in the 31st Annual Brea 8K Classic presented by the Brea Mall and hope you'll return for our 32nd race on Sunday February 23, 2025.

ACL INJURY PREVENTION

Program

Introducing a better approach to preventing knee injuries while maximizing performance on the field.

An Anterior Cruciate Ligament (ACL) tear is one of the most common season-ending injuries for high school and college athletes, ACL injuries pose a particular risk to females who are more likely to injure the ligament.

Most athletes are unaware of their body mechanic issues—such as the knees collapsing inwards when landing or out of balance quadricep-to-hamstring ratio—that place significant stress on the ACL.

Our Program uses Sportsmetrics[™] training, the only research-based injury prevAention approach with documented outcomes: a nearly 90 percent reduction in knee ligament injuries along with increases in power, jump height, and performance.

To learn more about our program—please call 714-578-8706 ext. 2377 or email us at CRWSportsPerformance@providence.org.

Just 68 people took to the streets in the first Brea 8K Classic. Since our small start, this race has grown into a favorite community event, which today draws thousands of runners, walkers, volunteers, sponsors, and other supporters across the country.

From its beginning, the Brea 8K Classic was a heartfelt hometown event that focused on fun, fitness, and fundraising for the students and programs of Brea Olinda High School. Today, though larger, it's still run by a team of hard-working but entirely unpaid parent and community volunteers.

The proceeds of this year's race will benefit the students of Brea Olinda High School Instrumental Music, Color Guard and Choir. This single event continues to benefit the students of our city's only comprehensive high school more than any other.

We appreciate your participation in the 31st Annual Brea 8K Classic presented by Brea Mall and hope you'll return for our 32nd race on Sunday, February 23, 2025.
