On May 23, 2026 beginning at 8:00 am in downtown Birmingham, Alabama, we are hosting our 5th annual Bridge Builder 5K Run. This event will be one of our premier scholarship fundraisers for the calendar year. Proceeds from the 5K will aid in our scholarship and youth mentoring efforts in the Birmingham and surrounding areas.

On behalf of the Alpha Phi Chapter of Omega Psi Phi Fraternity, Inc. Birmingham, Alabama, and our 501(c)3 foundations, Omega Scholarship and Benevolence Fund, Inc. (OSBF) and Omega Lamplighters, we are requesting your financial support to assist in our labors as community leaders and in the development of male youth that are desperately needed in this historical community.

OSBF is an approved 501(c)3 organization dedicated to providing scholarships and benevolent funding to deserving students and organizations to assist with educational needs; to provide support in the areas relating to public and community service initiatives; to inspire others to realize their full potential as productive and responsible citizens addressing issues facing youth and providing them the proper guidance in our community.

Omega Lamplighters is an approved 501(c)3 organization, which is a youth leadership organization, dedicated to young men ages 12-18. Our interactive program of involvement serves to provide positive role models in helping these young men acquire interpersonal skills and a sense of worth and empowerment. Through our mentoring program, we help to develop the youth into role models for other youth and ultimately into contributing adults who will be able to positively impact our communities. Our aim is to turn good young men into **GREAT** young men!

We value and appreciate your participation in this worthy cause and trust that you will invest your resources to help us make an impact in our community.

Sincerely,

Chris Johnson
