“Now more than ever, Sisters Network needs the community's support as we continue to be a leading resource and support network for Black breast cancer survivors nationwide in the fight against breast cancer. We are so grateful for our generous corporate sponsors, strategic and community partners and our loyal participants who are supporting the Stop the Silence 5K Walk/Run virtually this year., added Jackson.”

This year's corporate sponsors include MD Anderson Cancer Center, Natrelle, Eisai, H-E-B, and Ace Parking. National Strategic partners include Sigma Gamma Rho Sorority, Incorporated, Howard University Alumni Association (HUAA), and Top Ladies of Distinction, Incorporated. Regional include Delta Sigma Theta Sorority, Incorporated. The community partners include the Omega Chapter, Alpha Kappa Alpha Sorority, Incorporated, and the Houston (TX), Chapter of the Links, Incorporated.

In 2020, Sisters Network provided financial assistance to breast cancer survivors in need of help with utilities and rent. For the first time, the organization also provided grocery stipend due to the unprecedented food insecurity as a result of job loss and economic crisis from the global pandemic.

“We were amazed at the overwhelming request of applicants applying for the grocery stipends through BCAP,” stated Jackson. “In 2020, SNI distributed close to \$100,000 in financial assistance allowing our organization to help breast cancer survivors nationwide. Funds raised from the 2021 Stop the Silence walk will allow Sisters Network to continue providing the much- needed financial assistance to breast cancer survivors and pay for mammograms this year.”
