- There are over 700 parking spots near the finish line plus street parking options available for teams. However, it can be very congested on race day near the finish line at peak finish times between 4-7 pm.
- Lots 1-4 will be reserved for team vehicles and will be monitored by parking attendants. Vehicle hangtags will be required for entry.
- Lots 9-14 should be used by teams that are in a rush to get to the finish line. While a short walk away, you will avoid most traffic/congestion around the finish line.
- Lots 12-14 are located North of the finish line and can access the finish line Celebration on the Swamp Rabbit Trail off Buncombe Rd. (Look for signs). These lots will be the shortest drive from Enoree Career Center and have minimal vehicular traffic.
- Please do not park at Water Tower Apartments, Riverside Apartments, Swamp Rabbit Café or Mount Calvary Baptist Church.
