

Submit and Manage Virtual Results

You can submit and manage your own results directly from the RunSignup Race Page or from your RunSignup profile.

Navigate to our [RunSignup race page](#) > and select the **Result** tab > then select **Submit Virtual Results**.

The screenshot shows the RunSignup website interface for the 'GO! St. Louis Summer Passport: Adventures at Home' race. At the top, there are 'Sign Up' and 'Donate' buttons. Below these is a navigation bar with tabs: 'RACE INFO', 'EVENT INFO', 'FIND A PARTICIPANT', 'DONATE', 'RESULTS' (highlighted with a red box and a red arrow), and 'REFUND POLICY'. The main banner features the race title 'GO! St. Louis Summer Passport: Adventures at Home (Draft)' over a forest background. Below the banner, there is a section titled 'Post Virtual Results' with a cartoon character icon. It states 'This race has virtual events. If you completed a virtual event, submit your results here.' and includes a 'Submit Virtual Results' button, which is also highlighted with a red arrow.

Next search for your registration either by first and last name or by email address and DOB.

Utilize the drop-down menu under **activity** to record which of the fifteen greenways you visited. You must record one activity (greenway) at a time. Record the date you visited the greenway in the field **date completed**. Then under **greenway completed** please select **1**. It is optional (not required) to enter your time and or use the comment section.

Then select **submit activity**.
