

Dear Friends,

We are excited to announce that Child Enrichment's 8th Annual Heroes for Hope 5K Run/Walk will take place on Saturday, April 17, 2027, at the Mill Village Trailhead along the Augusta Canal! We invite you to join us as a sponsor and help make a difference in the lives of children who have experienced abuse, neglect, and trauma.

Heroes for Hope is a fun, family-friendly event where participants of all ages can unleash their inner superheroes! The event features a 5K Run, 5K Walk, Fun Run for children ages 10 and under, and a superhero costume contest for kids and adults. All proceeds benefit the children served by Child Enrichment.

Through our Child Advocacy Center (CAC), Court Appointed Special Advocates (CASA), and Prevention programs, Child Enrichment provides advocacy, forensic interviews, trauma-focused therapy, and prevention education to children and families in our community. Last year, we served 1,629 children, providing critical services and resources at no cost to families.

As the need for our services continues to grow and funding challenges persist, community support is more important than ever. Your sponsorship helps ensure that children who have experienced abuse or neglect receive the support, advocacy, and care they deserve.

We hope you will consider joining us as a sponsor! Please see the attached sponsorship packet for details on sponsorship levels and recognition opportunities.

Thank you for your generosity and commitment to the children in our community. If you have any questions, please contact Daria Sibert at (706) 737-4631 or Dsibert@childenrichment.org.

With gratitude,

Child Enrichment's Young Professional Board
