# Our Mission

**Community.  
Connection.  
Camaraderie.**

---

Healing Heroes is a first responder-run nonprofit dedicated to supporting the well-being of high-risk service professionals and their families.

We bridge the gap between those who serve and the care they deserve, cultivating a year-round network built on peer support, direct resource access, and active community involvement.

Every year, our growing reach confirms that this community is a vital lifeline. Our mission is to ensure that the sense of belonging, safety, and support we provide lasts far beyond a single weekend, creating a permanent culture of care for those who sacrifice the most.

## **The BFit Heroes Cup: Our Flagship Event**

In collaboration with the Boston Bruins Foundation, we host the nation's largest first responder and veteran hockey tournament. This premier event serves as a powerful platform for our community, bringing thousands together to strengthen the bonds of camaraderie and celebrate the resilience of our heroes on and off the ice.

# History of the BFit Heroes Cup

It was a record-breaking year with 104 teams, 2,000 players, and \$500K raised. Worcester Firefighters Hockey led the charge, raising an incredible \$61K.

**2016**

The Hero's Cup Foundation kicked off its first tournament, growing from a small 16-team event to a massive 58-team competition.

**2020**

The tournament was canceled due to the COVID-19 pandemic.

**2022**

LiveBarn joined us as a major sponsor, installing cameras in every rink to bring the excitement of all our tournament games to a live stream audience.

**2024**

## CAMARADERIE IS AT THE HEART OF OUR MISSION.

While our tournament is known for its scale, its true strength lies in the spirit of togetherness. This unique environment goes beyond the rink to create vital connections where players can bond over their shared passion for hockey. This sense of camaraderie reduces the stigma often associated with seeking help, paving the way for crucial conversations regarding mental well-being.

## CELEBRATING OUR HEROES, TOGETHER.

This event is a massive celebration for our first responders and their families, bringing together supporters from near and far. The weekend serves as a powerful display of community solidarity as we cheer on those who serve. The funds raised during this tournament provide essential resources for multiple charities dedicated to the well-being of our heroes and their loved ones.
