

## YOUR TEAM POWER

The more money you raise,  
the more we can do for autism  
education, research and support  
in your community.

YOU

You have five friends/neighbors/co-workers who want to help

## RAISE \$500 IN FIVE EASY STEPS

Raising money is not as hard as you think!  
Remember all the money you raise stays  
in our community.

## HOW TO RAISE \$500 IN FIVE DAYS

### FUNDRAISING TIPS

DAY	TASK	TOTAL YOU'VE RAISED
1	Support yourself. Donate \$5 to yourself. Registration comes with a free t-shirt.	\$ 5.00
2	Ask four of your family members to register or make a donation.	\$120.00
3	Use an A-Team Pledge Form* to collect \$25 donations from at least five friends and neighbors. Come on, don't be afraid. People want to help. Just think of how many Kringles, magazines and Girl Scout cookies you have ordered. We form a better community when we support each other.	\$125.00
4	Hold a Facebook Fundraiser. Ask 40 friends to contribute \$5 and invite them to support your virtual challenge. How many Facebook fundraisers have you donated to? This is an easy ask.	\$200.00
5	Ask your office to collect change for a week. You'll be surprised on how fast it adds up. Put up an A-Team Poster* to get the conversation started. Don't forget to ask them to join you in your individual/team virtual challenge.	\$ 50.00
<b>REMEMBER</b> —You have to remind people to follow through with a donation. It's OK to send an email reminder and to reach out to contacts on social media. Think of how many friends that you have supported. We are connected.		<b>TOTAL:</b> \$500.00

### EASY MONEY

Take your \$500.00 and double it. Many employers sponsor matching gift programs and will match any charitable contributions made by their employees. If your company is eligible, request a matching gift from your employer and send it completed and signed with your gift to Rechelle Chaffee's attention. We will do the rest.
