

Dear Potential Sponsor,

The Soldier Family humbly requests your support as a sponsor for the “A MILE for MICK” fundraising event. The virtual and on-site walkathon will take place on Sunday, September 20, 2020 at 8:30am at 8300 S. Lakeshore Dr. Chicago, Illinois.

According to an article written in the Verywell Health Magazine, approximately 6 in 100,000 children will suffer a stroke at some point between birth and adulthood, with 60% of cases affecting boys. On July 29, 2020, our son, Mekhi Soldier, became 1 of those 6 children. Mekhi suffered an ischemic stroke as the result of a hit to the head by a basketball. An ischemic stroke is caused by a blockage in an artery that supplies blood to the brain. The blockage reduces the blood flow and oxygen to the brain, leading to damage or death of brain cells. Thanks to the amazing care teams at Comer Children’s Hospital and Shirley Ryan AbilityLab, support and prayers from family and friends, Mekhi is making amazing steps towards a full recovery.

To help ensure Mekhi has a great chance at a full recovery, he will require 25+ weeks of intense rehabilitation. This requirement will amplify the emotional and financial responsibility of our family. Allow us the opportunity to be there for our son emotionally, physically and spiritually without the burden of looming financial obligations. Become a sponsor.

Please take a moment to review our three levels of sponsorship on the next page. It also includes instructions on how to make the payment.

Thank you for your consideration of this request. It means more to our family than you can imagine. For every kind gesture we are forever grateful.

With Gratitude,

Mr. & Mrs. Soldier
