

# Indiana Sports Corp Corporate Challenge

## *Golden Spatula: Team Tailgate Contest*

### **Contest Description**

Teams in the Corporate Challenge compete on the field, on the track, but also, through our second ever tailgate contest. With tailgates getting more elaborate and creative each year, we will put your great tailgates to the test. Teams will not be awarded points for the Best Team Tailgate contest but will compete for the “**Golden Spatula Award.**” One team will be selected each day throughout the contest.

### **How It Works**

Once your team has officially set up your tailgate, a committee will vote on which team has the best tailgate. The committee will decide based off tent amenities, team camaraderie/energy, and look/décor. At the end of the contest, the winning team will be crowned the **Gold Spatula Award.**

### **Logistics**

The voting committee consists of members from **Nameless Catering.** The winners will be given a gift card to Nameless Catering. Each year, teams go above and beyond to decorate their tailgate spaces. Show up and have the best tailgate!
