EVENT INTEREST FORM

- We have created a personalized form specific to your company for your team members to fill out which events they want to participate in.
- You are able to make additional edits to this form and send it directly to your participants. Once you have finalized your form, click collect responses at the top right of the page and send that link to your team members.
- You should have received a team specific link in your team captain onboarding email. If you still need the link, email corporatechallenge@indianasportscorp.org.

TIME TO REGISTER YOUR TEAM

- Send your team the [Corporate Challenge registration page](#) and have them "sign up." When registering for your company, participants will click "join team" and find your company on the drop-down box. For a full overview of how to register for a participating team, check out this [step-by-step guide](#) on how participants register.
- You can use this optional [Friday Team Recruitment Worksheet](#) or [Saturday Team Recruitment Worksheet](#) to help you manually keep track of your team activities.
- To help promote the event internally, you can share the [Friday recruitment flyer](#) or [Saturday recruitment flyer](#) and the [Friday overview flyer](#) or [Saturday overview flyer](#) as well as the [highlight video](#) from last year's event.

CHANGES IN 2026

Volleyball Tournament Returns!

- Volleyball returns in 2026 as a competitive bracketed event during the Main Event on Friday and Saturday.
- Teams will begin with round robin play, with top teams advancing to a single-elimination bracket.
- This event will contribute to your company's overall bracketed event scoring. [See the full rules here.](#)

Event Map Changes

- Bucket Golf will now be located next to Home Run Derby.

- Cornhole will move to the opposite of the event map and will now be located near Basketball Shootout, Frisbee Toss and Hockey Shootout.
- Please review the [updated event map](#) prior to the Main Event to ensure your teams arrive at the correct locations.

Community Impact Captain Role

- A Community Impact Captain role is being introduced for 2026 to help support your company's participation in community initiatives and earn additional points.
- This individual will help lead efforts such as Swim IN Safety fundraising, volunteer opportunities, and the Versiti Blood Drive.
- Team Captains should identify a Community Impact Captain and complete the [required form](#) to ensure they receive important updates and next steps.
- Community Impact Captains are also encouraged to participate in upcoming opportunities, including the [Swim IN Safety Lunch & Learn](#) on April 22.

REFERRAL PROGRAM

If you know of a company not on the list that we should contact, please reach out to Sam Elmore at SElmore@IndianaSportsCorp.org and share their information.
