

CORPORATE CHALLENGE
PRESENTED BY 

Corporate Challenge Participants,

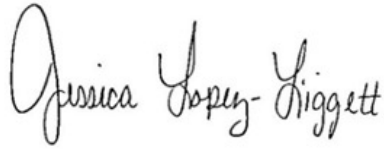

Welcome to the 2026 Indiana Sports Corp Corporate Challenge! As the Presenting Sponsor, Elevance Health is proud to support this incredible event that brings companies from across our community together to champion employee health and wellness.

At Elevance Health, we believe whole health goes beyond physical fitness—it includes behavioral, social, and emotional well-being. The Corporate Challenge is more than a competition; it’s an opportunity to set personal goals, strengthen connections with colleagues, and celebrate the power of teamwork. Whether you’re running the 10K, competing in pickleball, participating in yoga, or cheering on your teammates while enjoying the post-event festivities, we hope this experience energizes and inspires you.

The action begins May 26 with a virtual yoga session, followed by additional virtual health and wellness programming leading up to the main event. Your company’s primary competition day will take place either Friday, June 26, or Saturday, June 27, at the iconic Indianapolis Motor Speedway. We encourage you to take full advantage of the activities offered and invite your coworkers to join in the fun.

We look forward to celebrating alongside you as we showcase our community’s shared commitment to health, connection, and well-being.

Sincerely,

Jessica Lopez-Liggett
President, Indiana Commercial Plan
