### **Will you have gear check?**

Yes, we will provide complimentary gear check at Pavilion 2 near the start line from 7:30am–11:30am. Volunteers will monitor your belongings during the race in a secure area. **We also recommend no jewelry for this event. Please DO NOT leave valuables, cash or jewelry in your gear bag. The event is not responsible for any lost items on the course or at gear check.**

### **Should I arrive early to park?**

Yes! Space in each lot is limited, so please come prepared for a little bit of a walk. The spots closest to the start line fill up fast and some lots will close at 7:30am for the race.

### **Are there bathrooms available?**

Restrooms, changing, and shower facilities are available at the Jerry Long Family YMCA. Once participants cross the finish line, they will need to proceed to get washed off before entering the building. We will have more wash off stations near the finish line this year! More restrooms are available at Pavilion 1 and near the wash off stations.

### **Are there Water Stops on the course?**

We've partnered with Jones Racing Company to ensure we have adequate water stops throughout the race. Water Stops will remain open until the last participant completes the course.

### **Is there a Course Map?**

See race maps on the race website page.

### **Where is the start line?**

The start line is on the back field near Pavilion 2 at the Jerry Long Family YMCA.

### **How long will the course be open and will it be marked?**

The course will remain open until the last participant completes the course and will be marked.

### **Are there awards?**

The Dirty Dozen 5K will be timed using the MyLaps timing system. All participants will be given a disposable timing strap that they will wear on their ankle. The strap can be worn on either the left or right ankle (if the strap is on the wrist it will NOT register across the timing system). It is disposable and does not need to be returned after you finish.

Results will be scrolling on a TV screen located in the red tent that says Event Results.

Awards will be given out after the race once all the participants have finished. Given the different heats, it is important that all participants finish the event before awards are calculated because someone who begins in a later heat may complete the course faster than someone who began in an earlier heat.

Awards will be given to the Top 3 Male & Female Overall finishers and the Top 3 M/F in the following age group - divisions: Ages 7-9, Ages 10-12, Ages 13-15, Ages 16-20, Ages 21-30, Ages 31-40, Ages 41-50, Ages 51-60, and **Ages 61-70, Ages 71-80, and Ages 81+.**

Awards will also be given to the Top 3 Teams. For team awards, the four individual times of the team members will be averaged together to create one Team Time. All team members must finish at the same time. If your team's times are too different from each other, you may not qualify for a medal.

Team awards and Age Group awards will be given out at the Awards Ceremony once the last finisher crosses. You must be present to collect your award. Awards will not be shipped out post-event but you can pick them up at the Jerry Long Family YMCA after the event is over.
