

## Who We Are

Wings of Mercy East Michigan, Inc. is a nonprofit organization that coordinates free flights to distant medical centers for individuals with limited financial resources. Using general aviation aircraft and volunteer pilots, we serve recipients on flights within approximately 600 miles of Eastern Michigan.

Founded in 1995, Wings of Mercy East Michigan flew its first passenger in July 1996. We serve people throughout the eastern half of Michigan's Lower Peninsula and the eastern Upper Peninsula.

Our volunteer pilots have flown more than 1.1 million miles for our recipients—a distance equal to circling the globe over 40 times. All pilots are highly qualified, exceeding FAA certification requirements to ensure the highest level of safety.
