

South Coast Running Club

Team Captains,

Here are the official results from the 40th Roseburg to Coos Bay Relay and the Laverne Park to Coos Bay Relay. Congratulations to the men of the Green Lizards team from Harrisburg, who won the overall championships, the ladies of Where's Chris? from Roseburg who were the top female team and the folks from Coos Bay and Portland who formed #runyourestuary, the first mixed team.

Congratulations also to another Roseburg team, Keep Calm and Gramp On, who won the Director's Award for finishing closest to their projected time.

We had considerably fewer teams this year than what we'd like to see, since all of our proceeds after expenses are sent to Camp Millennium. I extend a special thanks to those who included a donation to the camp. At least we won't have to deal with Easter next year.

Please share the results with your teammates. Come back next year and encourage more folks to try it too.
