

Richmond Road Runners Club
richmondroadrunnersclub.rsupartner.com

Services Offered – Effective January 2018

Race Timing and Finish Line Management Services

RRRC will:

1. Provide a representative to serve as liaison between the club and race sponsor to help along the way as needed.
2. Review the race course, start and finish areas and advise the race sponsor as needed.
3. Review any race marketing materials if requested by the race sponsor.
4. Promote the race and allow the client to post on the club web site richmondroadrunnersclub.rsupartner.com and will post in the e-news. Client is responsible for providing all copy and club will provide posting instructions.
5. Provide finish line equipment and setup on race day – which includes 1 overhead clock with stand, time keeping machines, finish line chute.
6. Compile race results in each age group as outlined by the client prior to the event.

Water Services:

Notification must be received 5 days prior to event.

5-gallon water bottle - \$5.00 each (~ 10 gallons of water needed per 100 runners, finish line and each water stop)

100 cups - \$1.50 (cups needed at each water stop and finish line)

Equipment Rental*

If equipment is available, the RRRC will rent event sponsors equipment as follows:

- Overhead LED Clock with Stand - \$100.00 per rental
 - School Special Clock and Finish Line – contact VP operations RRRC
 - Mini-Finish Line Chute (pylons, cones, nylon tape) - \$75.00 per rental
 - Both Clock & Finish Chute (pylons, cones, nylon tape) - \$150.00 per rental
- *Client is responsible for picking up and returning.

Other Services:

1. **Course Certification** – The club has members who provide this service for a fee. They are independent contractors. We are happy to refer a race sponsor to one of our club members for this service upon request.
2. **Race Director Consulting** – As part of the Race Timing and Finish Line Management Services provided to the club's contract clients, our folks will assist with general questions regarding race management. If you feel that you need more support, the club also has members who can help you with managing your race for a fee. We'll discuss this with you before recommending that option.
