Frostbite

Planning for Frostbite continues to move forward, and we're pleased to announce that Final Gravity Brewing Company will once again serve as the event's title sponsor.

We're also excited to share that C&F Mortgage, through the support of Ingrid Sell, has committed $500 to sponsor this year's event. We're continuing to explore additional partnerships, including conversations with ZZQ and other local businesses interested in getting involved.

This year's event will be moving in a new direction and will no longer be centered around Lewis Ginter. We're still finalizing details and will share more information as plans come together.

Registration is still scheduled to open on Black Friday (11/27). We'll also be recruiting volunteers in the coming weeks. If you're interested in helping with this year's event, watch for volunteer sign-ups when registration opens.
