

Registration is Open for the Bellin Women's Half Marathon, Relay & 5K!

It is with great *hope* that organizers are moving forward with planning for an **in-person** Oct. 10 Bellin Women's Half Marathon, two-person relay and 5K. The focus of these events (in addition to FUN!) is inspiring the women in our community to get and stay active, resulting in better overall health and fitness, higher self-esteem and confidence, and better mental health. Bellin Health is working closely with our medical team, and local public safety and municipal officials to host an event that addresses concerns and risks associated with COVID-19.

Organizers will institute many policies and procedures to reduce the risk of exposure of COVID-19 at the Friday, Oct. 9 Health & Fitness Expo, Women's Inspiration Dinner and the Saturday, Oct. 10 walk/run event. [Click here for details](#) regarding this plan. We will continue to monitor and assess the status of the COVID-19 pandemic and, if warranted, we will transition to a virtual-only event and offer a partial refund or an option to defer to 2021.

Our theme for this year's event is *hope* and you will see this theme throughout our event. Race perks will include a long sleeve, hooded race shirt and custom buff for all events, and the half marathon and half marathon relay will include our Friday Women's Inspiration Dinner and a custom bag.
